

DECLARATION OF CONSENT

By signing this statement, I give my consent for Videolink ApS to install a webcam with an associated screen in my home.

The webcam is installed for the purpose of those of my relatives who are specifically mentioned below, can make a video call to me on an encrypted line according to agreement entered into with Videolink ApS.

The following of my relatives are allowed to make video calls to me:

- _____
- _____
- _____
- _____
- _____

Consent presupposes that the video calls are not recorded or saved.

In addition, the consent presupposes that the nursing staff at any time can ask my relatives to "hang up the video call", if the nursing staff feels uncomfortable or does not want my relatives to consider the service that the nursing staff provides to me. That must thus be the nursing staff who have the final decision regarding this when these are in my residence and my relatives must comply with such a requirement (mandatory).

I am informed that I have the opportunity at any time, in writing, to revoke this consent. The revocation of the consent can take place per. mail to: [insert mail].

I'm further informed that my consent is automatically revoked upon termination of the agreement with Videolink ApS.
